The Residential Property Revert-to-Landlord Consent Agreement (“RTL Agreement”) is a service offered by MCEC to Landlords for residential properties only. The purpose of this agreement is to aid the Landlord in transferring the electric service without interruption, once a disconnect order has been placed by the tenant. Please see the following conditions concerning this agreement.

1. Landlord represents that he/she/it owns or manages the Property(ies) listed below, and leases it to a tenant who utilizes MCEC.

2. Landlord does not want the Property left without utility services after the tenant vacates. In the event that the tenant requests MCEC disconnect his/her electric service to the Property, MCEC will use its best commercial efforts to transfer the utility services, so as to avoid interruption of service. The transfer of services will become effective on the date that tenant’s disconnect request is scheduled to become effective.

Exceptions:

- A. The service will not be automatically transferred into your name if service to a resident has been disconnected for nonpayment of bill, or violation of MCEC’s service rules and regulations. A tenant’s service can be shut off without landlord notification.**
- B. An inspection may be required if changes are made to the electrical wiring.**

3. To participate in the Revert-to-Landlord program, the Landlord’s account must be current and in good standing— accounts with past due balances cannot be enrolled.

4. A service deposit and a one-time \$15 Membership fee may be applicable. The 15.00 membership fee will be refunded once all accounts in the landlord’s name become inactive. If there is a deposit requirement on the account, the deposit shall be refunded if no other active accounts exist. In the event another active account exists, the deposit may be transferred according to the payment history on the active account.

5. This RTL Agreement applies to all meters that are provided by MCEC at each address. There is no option to select one particular meter if more than one meter is present at an address.

6. Landlord shall be responsible for payment for all utility services provided to the Property after the reversion date until MCEC receives notice to transfer or disconnect services in accordance with MCEC’s service rules, regulations and bylaws.

7. Failure to pay bills in a timely manner for service provided to an account in the Landlord’s name may result in disconnection of service and/or termination of this RTL Agreement.

8. Any bills in the Landlord's name that remain unpaid after MCEC's final bill will be transferred to the Landlord's permanent account, if one exists. Reversion Account bills will be sent to Landlord at the address on record with MCEC.

9. If a Landlord has a change of mailing address, email address or contact information, it is the Landlord's sole responsibility to update this information either by calling MCEC at 803-749-6400 or email at [memberservices@mcecoop.com](mailto:memberservices@mcecoop.com).

10. This RTL Agreement shall remain in effect until the earlier of: (a) MCEC's receipt of notice that the Property has been sold or is no longer being managed by Landlord; (b) notification of termination is received by the Landlord; or (c) Landlord has failed to make timely payments, as described above.

11. Voluntary termination of this RTL Agreement by Landlord/Property Manager shall be made by submitting a request in writing to MCEC by fax (803-749-6495), e-mail ([memberservices@mcecoop.com](mailto:memberservices@mcecoop.com)) or mailing a request to: MCEC, P O Box 669 Lexington, SC 29071.
