Deposit and Fees

New members are required to pay a \$15 refundable membership fee and a \$10 non-refundable set-up fee for regular billing or a \$35 non-refundable set-up fee for Pay As You Go billing.

A minimum deposit of \$500 for residential or \$200 for a temporary pole is required for each account, unless you have established an excellent payment history with Mid-Carolina Electric Cooperative, or you have an acceptable credit rating from our designated credit bureau. Do you give Mid-Carolina Electric Cooperative permission to run a soft credit check?

YES NO

An online credit check through Experian is required, and may give the options of Deposit Waived, Bill Deposit, or Pay Deposit Up Front. If you do not have any credit history, your ID credentials do not match with the credit bureau information or a fraud alert is present, you will be required to come to the office to show your ID information in person. Electric service will not be connected until this is done. If you choose to bypass the credit check, have unsatisfactory payment history with Mid Carolina Electric, or are required to pay a deposit after the credit check, the minimum \$500 for residential or \$200 deposit for a temporary pole will be required before service is connected in your name. If you have a past debt with Mid Carolina Electric, an increased deposit that equals the two highest consecutive bills at the location you are applying for will be charged.

Pay As You Go billing is an option that requires **NO DEPOSIT**. There is only a \$100 minimum payment required to start service, and we can even make a payment arrangement if you have a past debt with us. It's that easy!

Would you like to enroll for Pay As You Go billing? YES NO

With pre-paid billing, you pay for electricity how and when you choose. Purchasing electricity before you use it allows you to control your budget and pay when you want. There are no security deposits, disconnect/reconnect fees or late fees. Instead of a monthly billing statement, you will access your account information on SmartHub, which is required before the account is set up for PAYG and receive notifications via text and email. **It is required for you to read and sign the Pay As You Go terms and conditions and to also sign up for our online service SmartHub to participate in this program.**

Pay As You Go Terms and Conditions must be read and signed before PAYG service can be activated in your name.

By enrolling in SmartHub you will enjoy the convenience and ability to monitor your usage, receive reminders, contact Member Services and more, while paying your bill safely from anywhere. Creating a SmartHub account takes less than three minutes. Enter your profile information and you're ready to begin. You can also download the SmartHub app for your mobile device for convenience on the go.
